Instructions:

- line up 10 toys
- sing the song 10 in the bed
- each time 'one rolls out', act this out with the toys

*There were ten in the bed,
And the little one said, "roll over, roll over",
So they all rolled over and one fell out!*

*There were nine in the bed,
And the little one said, "roll over, roll over",
So they all rolled over and one fell out...*

Try singing the song and acting out the lyrics yourself.

Think of ways to change the song to include whole body movements that you can act out e.g:

- We were jumping in the bed....
- We were skipping on the bed...
