This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
1-Quality of lessons taught	1-PSD lesson have been delivered to a high standard with regular drop in observations taken by PE lead and PSD lead coach. During a recent OfSTED visit, PE lessons were commented on as being highly engaging and delivered to a high standard	1-continue to regularly observe and provide feedback
2- Staff CPD	2-Teaching staff have had CPD through lesson observation but these have not been consistent. Staff have been offered CPD for PE through online offers and scheduled training days but these have not been taken up by staff as hoped.	2- Continue to offer CPD. Include CPD on the staff ISET training days to ensure higher participation.
3- Engagement in clubs and active movement breaks	3-Pupils attending clubs has increased from 24% to 36%. KS1 and KS2 have had scheduled movement breaks every afternoon on timetables- these have been adapted accordingly to suit the needs of pupils	3- Regular movement breaks to be incorporated into timetables in the academic year 25/26. Maths on the move to be introduced to ensure cross curricular links.
	4-Sports Ambassadors have led daily activities for KS2 during lunchtimes- these then led to targeted pupils being included/encouraged based on the least active. Key achievements 2025-2026

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity	Impact	Comments/future actions
Daily timetable in the MUGA.	Pupils have an equal opportunity to use the MUGA with a separate slot for girls.	Continue to work alongside the OPAL leads to implement a MUGA rota.
Daily breakfast club opportunities	Targeted pupils have been invited in breakfast clubs to improve punctuality. Case study 'Pupil A' showed an increase in their attendance by 6.1% compared to last year. Present (Statutory/Roll Call) 2025/2026 (YTD) 95.6%  Up by 6.1% compared to last year	Use golden tickets to invite pupils with poor punctuality or attendance.
SEND participation in sport.	Pupils on the SEND register attended 10 pin bowling, Taekwondo and Panathlon events.	Work alongside the SENCO to enter a range of competitions in the 2026.27 academic year for SEND pupils.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Status:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	35%	<i>We do not have sufficient funding to pay for additional swimming lessons.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	46%	<i>Although parents are given the opportunity for their child to attend swimming through school in year 4, many do not continue lessons outside of this.</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	25%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	Staff attended lessons as part of their CPD in order to gain a better understanding of what is needed to make the right progress towards their 25m target. Staff were not actively participating in lessons and have not been given the opportunity to complete any swimming qualifications at this point.
