This week in Year 2...

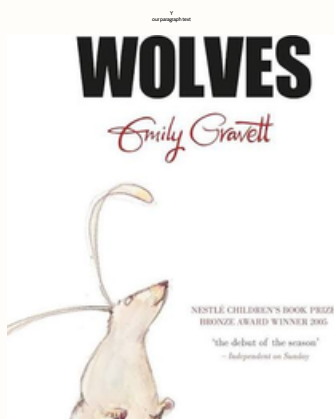

This week in English, the children are creating factual sentences about wolves to support their chronological reports. They are developing their vocabulary and using precise language to organise and communicate information clearly.

In Maths, the children are developing their understanding of partitioning numbers up to 100, exploring how numbers can be broken down into tens and ones.

In DT, the children are exploring levers and learning how they work, focusing on pivots and how levers can be used to create movement.

In Geography, the children are learning about the location of the North and South Poles and developing their understanding of compass points and how they are used to navigate and describe locations.

This week's book...

Key Messages

Children will be sent home with an acrostic poem form to take part in a national poetry competition run by Young Writers. The activity will encourage children to express their emotions, reflect on their experiences, and explore their individuality and sense of identity.
