This week in Nursery...

This Week in Nursery the children have continued to settle beautifully into Nursery and are becoming increasingly confident in exploring and playing within their new environment. We have enjoyed lots of outdoor play, singing familiar nursery rhymes and taking part in our first PE sessions, where the children have been developing their physical skills through jumping, hopping, skipping and moving in different ways.

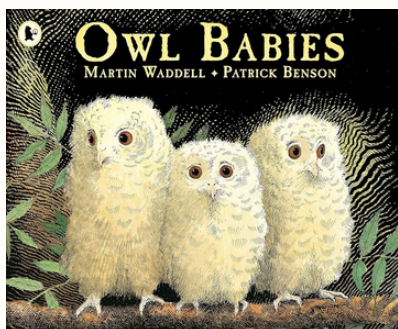

This week, we also began our first story of the year, Owl Babies. The children have enjoyed getting to know the owl characters and listening to the story together. We will continue exploring Owl Babies next week, focusing on the different characters and how they feel throughout the story. We will encourage the children to talk about their feelings and make connections with their own experiences.

Our Star Skill next week is: "I can put on my coat." We will be practising this throughout the week to support the children in developing their independence and confidence with getting ready for outdoor play.

Our Fine Motor Skill will be using tweezers, helping the children to develop their hand strength, coordination and control through fun, practical activities.

Next week's book...

Key Messages

Wellies and puddle suits: Please bring a pair of wellies and a puddle suit into school for your child to keep here. We enjoy being outdoors in all weathers, so these will help your child stay warm and dry while they play.

Spare uniform: Please ensure your child has a set of spare uniform in their bag in case they get wet or messy during the day.
