## This week in Nursery...

This week in Nursery, the children have continued to settle beautifully and are becoming increasingly confident and independent within their new environment. We have enjoyed lots of opportunities for outdoor play, singing familiar nursery rhymes and continuing to develop our physical skills through PE. The children have been having lots of fun practising jumping, hopping, skipping and moving in different ways.

We have continued exploring our story Owl Babies, getting to know the characters and talking about what happens throughout the story. The children have enjoyed discussing how the owl babies feel when their mummy is away and when she returns. We have encouraged the children to share their own feelings and experiences, developing their confidence in talking with others.

Our Star Skill this week has been: "I can put on my coat." The children have been practising this throughout the week and are becoming more confident in getting ready for outdoor play independently.

Our Fine Motor Skill has been using tweezers. The children have enjoyed a range of practical activities to develop their hand strength, coordination and control, while building confidence in using tools independently.

Next week, we will be starting our new story Funny Bones. We will be learning all about our bodies, exploring different body parts and talking about how our bodies are the same and different. We will encourage the children to notice and celebrate the similarities and differences between themselves and their friends.

## Next week's book...

## Key Messages

**Wellies and puddle suits:** Please bring a pair of wellies and a puddle suit into school for your child to keep here. We enjoy being outdoors in all weathers, so these will help your child stay warm and dry while they play.

**Spare uniform:** Please ensure your child has a set of spare uniform in their bag in case they get wet or messy during the day.
