This week in Year 5...

In English this week the children are looking at using speech accurately. within their writing, as well as using speech accurately, use expanded noun phrases to describe feeling, using expanded noun phrases to describe feelings of the characters as well as using modal verbs to make inferences within the boom , building atmosphere by describing a setting taken inspiration from the futuristic setting within the story of Robot Girl, finally looking at present bias through writing

In Maths, the children have been looking at rounding numbers to the nearest 10, all the way up the nearest 1,000,000, which takes us up to the end of the unit, where we will complete the end of unit block test. Moving on to the next topic, addition and subtraction, we will consolidate previous learning to establish any gaps before we start this new topic.

In Science, children have been experimenting with solutions, understanding different soluble and insoluble items and describing how they react within water.

In History, the children are looking at different trade routes and items within the Viking Era, understanding that the vikings travelled across Europe and bartered with their items in order to import different items unavailable to them that grow or are made across different European nations.

Next week's book...

5 Curie are reading Harry Potter and the Philosopher's Stone

5 Mandela are reading There's a Boy in the Girl's Bathroom

5 Zephaniah are reading The Wolves of Willoughby Chase

Key Messages

Please ensure children are reading **every day** and are completing and handing in homework by **Wednesday**!

Please ensure children come to school in **FULL school uniform** with **FULL PE kit** to change into on PE days.
