This week in Reception...

This week in Literacy, we have been exploring the story *The Colour Monster* by Anna Llenas. The children have enjoyed talking about the different feelings represented by the colours in the story, including happiness, sadness, anger, fear and calm. Through our literacy activities, the children have been developing their vocabulary around emotions and sharing their own experiences and feelings. We have encouraged the children to think about how different emotions make us feel and how we can recognise and express our feelings.

This week in Maths, we have been exploring different sorting techniques. The children have been learning to sort objects according to different criteria, such as colour, shape, size and type. We have encouraged the children to explain how they have grouped objects and to identify similarities and differences.

This week in Expressive Arts and Design, we have been exploring the season of Autumn and making links to *The Colour Monster*. The children have enjoyed using a range of creative materials to explore colours, textures and different ways of expressing themselves.

During our PE sessions, Mr Bevis chooses a child who has worked exceptionally well and demonstrated great effort, enthusiasm and participation. The chosen child receives a weekly class certificate, which is proudly displayed in our classroom to celebrate their achievement.

☀ This week's certificate recipients are:

R-Grey Thompson - Navy

R-Darwin - Wyatt

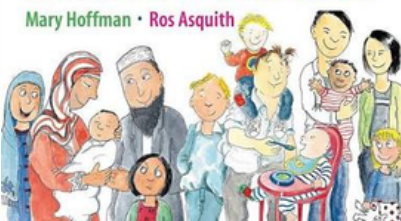

R-Seacole - Harriet

Next week's book...

The Great
Big
Book of
Families

Mary Hoffman • Ros Asquith

Key Messages

Look out for the live link on arbor to book an appointment to "Meet the Teacher" evenings, taking place on:

Monday 19th October

Tuesday 20th October

Children should wear their school uniform to school and bring their PE kit in a named bag.

Please could you send in a box of tissues, there are lots of colds and snotty noses at this time of year.
