This week in Nursery...

This week in Nursery, the children have continued to settle beautifully and are becoming increasingly confident and independent in their new environment. We have been exploring our story *Funny Bones*, learning about our bodies and naming different body parts. The children have enjoyed talking about how our bodies are the same and different and sharing their ideas through a range of fun activities. In PE, we have been developing our physical skills through hopping, skipping and jumping. Our Star Skill has been "I can put on my coat", and the children are becoming more confident in getting ready for outdoor play independently.

Next week, we will be starting our new story, *The Great Big Book of Families*. We will be learning all about our families, cultures and the things we do that are the same and different. The children will explore this through a range of fun, practical and creative activities. We will also be celebrating World Space Week, exploring space, stars, planets and the moon. Our Star Skill will continue to be "I can put on my coat."

Next week's book...

Key Messages

Wellies and puddle suits: Please bring a pair of wellies and a puddle suit into school for your child to keep here. We enjoy being outdoors in all weathers, so these will help your child stay warm and dry while they play.

Spare uniform: Please ensure your child has a set of spare uniform in their bag in case they get wet or messy during the day.
