This week in Year 2...

This week in English, we have carried on exploring 'If All the World Were' by Joseph Coelho and Alison Colpoys. The children have discussed the words used by the author, written noun phrases using suffixes and planned their own poem.

In Maths, the children have been developing their understanding of time. They have learned how to tell and write the time to the hour and half past the hour and to quarter past and quarter to the hour.

In DT, the children have been learning how to make a moving monster. They have been making linkages by connecting levers and pivots, designing their monsters and selecting materials according to their individual characteristics.

In PHSE, we are beginning to recognise how democracy works in school. The children understood how the school council works and were able to explain how the school council is democratic.
