This week in Year 4...

What a busy and exciting week we have had in Year 4! The children have worked incredibly hard across all areas of the curriculum and have enjoyed lots of opportunities to learn through practical and collaborative activities.

This week, we proudly finished publishing our biographies based on our class text, *The Matchbox Diary*. The children were particularly excited to see their final published pieces of writing after carefully proofreading, editing and improving their work. We have now started our exciting new class text, *Until I Met Dudley*. This is a non-fiction text, and we have begun exploring how everyday machines work.

In Maths, we completed our unit on Number and Place Value with an end-of-block assessment. The children have worked hard to develop their understanding of numbers and the value of each digit.

In Computing, we continued developing our understanding of online collaboration. The children created and explored online spreadsheets and investigated how groups of people can enter and work with data at the same time.

Our Science learning took a particularly interesting turn this week! We investigated how animal poo can provide clues about digestion, teeth and diet. The children used evidence to think about what different animals eat and how their teeth and digestive systems are suited to their diets.

In DT, we put our practical skills to the test by baking biscuits! The children worked together to follow a recipe carefully, measure ingredients and make their biscuits.

Of course, the best part was getting to taste our delicious creations afterwards!

Well done, Year 4, for another fantastic week of learning, curiosity and teamwork. We are very proud of all your hard work!

This week's book...

Key Messages

A reminder that children need to come into school and then change into their PE kits. Their PE kits should follow the school uniform policy. No earrings are allowed to be worn during PE sessions.

Reading is essential for your child's learning and development! Please ensure your child reads every night to build confidence and strengthen their reading skills. Consistent daily reading makes a big difference!
