This week in Year 1...

This week, the children have been developing their understanding of number and quantity. They have explored different groups of objects and practised identifying how many objects are in each group. The children have also developed their understanding of comparison by using the language greater than, less than and equal to and using the symbols $<$, $>$ and $=$ to compare numbers and quantities.

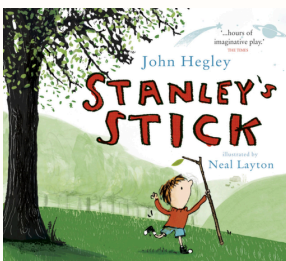

In English, the children have been developing their story-writing skills. They have created suggestions for a story and planned the key events, thinking carefully about what happens at the beginning, middle and end. The children have then used their plans to write their own stories, developing their ideas and practising how to sequence events clearly.

In Art and Design, the children have been developing their control and pressure skills when adding colour to their drawings. They have explored how changing the pressure of their colouring can create lighter and darker shades. The children have also practised colouring carefully within lines and selected colours inspired by the artwork of Paul Klee.

Next week's book...

Stanley Stick

Key Messages

Reminder:

Train Station Visit dates:

oct-14th Wednesday- 1 Nightingale
Oct- 15th Thursday- 1 Parks
oct-16th Friday- 1 Pele
