This week in Reception...

This week in Literacy, we have been exploring the theme of families. We shared and talked about our own family photographs, discussing the different people who are special to us and what makes each of our families unique.

We also looked closely at the book *My Big Book of Families*. We talked about the different types of families we could see in the story and celebrated how families can look different while still being full of love and care.

This week in Maths, we have been exploring mass, capacity and pattern. We have been using practical activities to compare objects by their weight, exploring which containers hold more or less, and developing our understanding of capacity.

We have also been looking closely at patterns, creating and continuing simple repeating patterns using different colours, shapes and objects. We have enjoyed spotting patterns in our environment and making our own.

At the Art table, we have been getting creative by drawing pictures of our homes and families. We have explored using a variety of different materials to bring our ideas to life, making each picture unique and personal. We have enjoyed talking about the people and places that are special to us while developing our drawing and creative skills.

During our PE sessions, Mr Bevis chooses a child who has worked exceptionally well and demonstrated great effort, enthusiasm and participation. The chosen child receives a weekly class certificate, which is proudly displayed in our classroom to celebrate their achievement.

☀ This week's certificate recipients are:

R-Grey Thompson - Amel

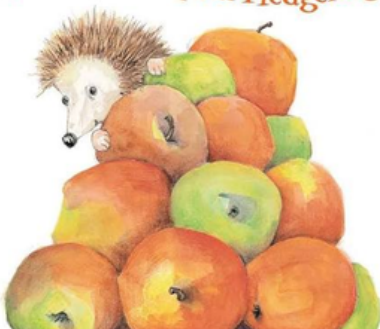

R-Darwin - Clayton

R-Seacole - Aiden

Next week's book...

Rosie Wellesley
The Very Helpful Hedgehog

Key Messages

"Meet the Teacher" evenings, taking place on :

Monday 19th October

Tuesday 20th October

Please ensure you have booked a slot.

Children should wear their school uniform to school and bring their PE kit in a named bag.

Please could you send in a box of tissues, there are lots of colds and snotty noses at this time of year.
