This week in Nursery...

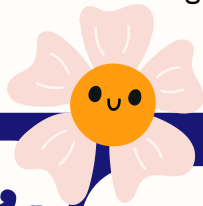

This week in Nursery, the children have been exploring our story The Great Big Book of Families. We have been learning all about families and talking about the different people who are special to us. The children have enjoyed sharing their experiences, discussing how families can be the same and different, and exploring different cultures and family traditions through a range of fun, practical and creative activities. We have also been celebrating World Space Week, learning about space, stars, planets and the moon. The children have enjoyed developing their understanding of the world through exciting space-themed activities and conversations.

Our Star Skill this week has been "I can put on my coat", and the children have continued to develop their independence when getting ready for outdoor play.

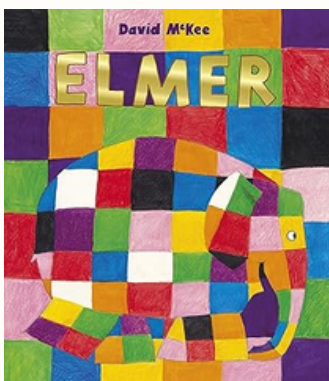

Next Week

Next week, we will be starting our new story, Elmer. We will be exploring Elmer's colourful world and learning about being unique, celebrating differences and being proud of who we are. The children will take part in a range of engaging activities linked to the story, supporting their communication and language, creativity and understanding of the world.

Our Star Skill next week will be "I can wash my hands". We will be encouraging the children to develop their independence with handwashing and talk about why keeping our hands clean is important.

Next week's book...

Key Messages

Wellies and puddle suits: Please bring a pair of wellies and a puddle suit into school for your child to keep here. We enjoy being outdoors in all weathers, so these will help your child stay warm and dry while they play.

Spare uniform: Please ensure your child has a set of spare uniform in their bag in case they get wet or messy during the day.
