This week in Year 3...

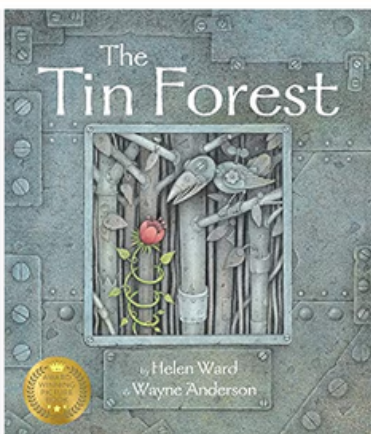

This week in **English**, we concluded our unit with The Barnabus Project. The children used the knowledge taught to them in previous lessons, and wrote a brochure for a new pet shop in which we would sell the “failed” projects. To do this, we had to use dialogue, conjunctions and commands. We also had to use the present perfect tense.

In **Maths**, we have been exploring fact families and have been identifying patterns within numbers. This will improve the children’s arithmetic skills.

In **Music**, the children have continued their learning about ballads. This week, they continued to work creatively to compose a chorus and lyrics for Diamonds by Rihanna. They also started practicing this because next week they will be performing their song because performing is an important skill to acquire.

In **RE**, the children recapped everything they had learnt from this unit about being human and they picked an aspect that interested them and they are now creating a front cover and a blurb as if they were going to write a book about this aspect.

Next week's book...

Key Messages

Meet the teacher:

Please book on Arbor- Monday 19th and Tuesday 20th October 2026.

Break/Lunch:

We encourage your child comes into school with a coat/ waterproof clothing and wellington boots.
