This week in Year 2...

This week in English, we are starting a new book called *Lizzy and the Cloud* by The Fan Brothers. The children are learning how to use noun phrases to describe and specify.

This week in Maths, we are looking at addition and subtraction. The children are exploring numbers to make 10, adding three 1-digit numbers, adding to the next 10 and adding across 10.

In DT, the children are designing levers for everyday use. They are going to draw and label an item with a lever and a pivot to show how it can work. After that, they will evaluate their design and give feedback.

In Science, the children are learning how animals get their food from plants and other animals. They will be able to name producers, preys, predators and place them in a food chain using arrows to show the correct order.

This week's book...

Key Messages

Meet the Teacher – 19th & 20th October

A friendly reminder that our Meet the Teacher sessions will take place on 19th & 20th October. Parents are kindly asked to book their preferred time slot in advance.
