This week in Reception...

This week in Literacy, we have started a new book "The very helpful Hedgehog" We have been looking at their habitats and what they like to eat. We have reenacted the story and developed our speaking and listening skills around drama and oracy opportunities.

This week in Maths, we have been exploring continuous patterns, the children have been using their problem solving skills to identify and continue patterns. The children have used a variety of resources, colours, shapes and objects to create their own patterns.

At the Art table, we have been getting creative and incorporating our literacy book based on Hedgehogs. The children have made masks, created their own clay hedgehogs and hand printed hedgehogs using a range of resources to enhance their pictures.

We continue to use fine motor skills practice everyday throughout our provision, to help get the children's hands and grip, nice and strong, ready for future writing.

During our PE sessions, Mr Bevis chooses a child who has worked exceptionally well and demonstrated great effort, enthusiasm and participation. The chosen child receives a weekly class certificate, which is proudly displayed in our classroom to celebrate their achievement.

☀ This week's certificate recipients are:

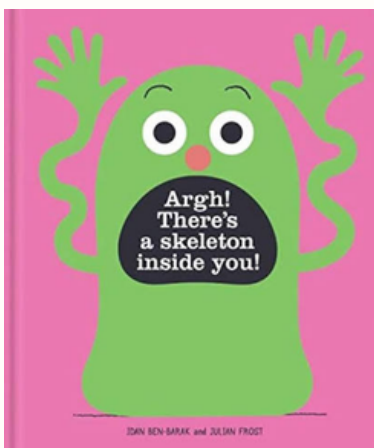

R-Grey Thompson - Mazen

R-Darwin - Tiara

R-Seacole- Leo

Next week's book...

Key Messages

FCM- Firework display
Thursday 1st November - gates open at 5pm.
Fireworks to start at 7pm.

Please sign up to volunteer on our Autumn walk.

30th October is the cut off date to give consent on Arbor for your child to attend the trip. They can not attend if you do not give consent.
