This week in Year 5...

In English this week the children will be introduced to their new book for the upcoming block - Hidden Figures. Pupils will be researching and discussing space travel, the origin of NASA and the invention of rockets and how that changed the world.

In Maths, the children have been identifying multiples and factors, including finding all factor pairs of a number, and common factors of two numbers in preparation for our work after half term.

In Science, children will be using all of their prior knowledge to complete an end of unit quiz, summerising mixtures and separation.

In PE, pupils have been using and applying their technical and tactical knowledge of football in an end of unit tournament. Pupils will recall learning outcomes from previous lessons to work successfully as a team and win matches.

Next week's book...

5 Curie are reading Harry Potter and the Philosopher's Stone

5 Mandela are reading There's a Boy in the Girl's Bathroom

5 Zephaniah are reading The Wolves of Willoughby Chase

Key Messages

Please ensure children are reading **every day** and are completing and handing in homework by **Wednesday**!

Please ensure children come to school in **FULL school uniform** with **FULL PE kit** to change into on PE days.
