Year 3 News

Colham Manor Primary School
Aspire, Achieve, Thrive

This week in Year 3...

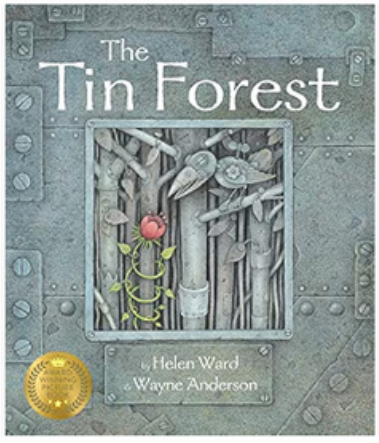

This week in **English**, the children wrote a postcard to the man who lives in a run-down house. The children had to give advice as to how the man could be cheered up. We were also looking at persuasive language in order to persuade others not to litter and to recycle.

In **Maths**, we have been adding and taking away numbers across a 10. To do this, we have been working with number lines to illustrate the need to get to the nearest 10 and then add/take away the remainder. We also began to look at fact families and how maths problems can link to others.

In Computing, we walked around the school, looking for devices such as computers and printers and we were discussing that these devices are linked together to form a network.

In Music, the children listened to a piece of music and discussed what emotions this evoked. We then drew pictures of what we imagined was happening in the song. Finally, we created a dance in groups which went with the song.
On Wednesday we had an athlete come to our school. The children went to the hall and did some exercises with him and then we all came together for an assembly.

Next week's book...

Key Messages

Please complete homework on Google Classroom. If you need a paper copy, please say.

Children are expected to come in with their PE kits on PE days. Please do not send the children in wearing them.
