Year 2 News

Colham Manor Primary School
Aspire, Achieve, Thrive

This week in Year 2...

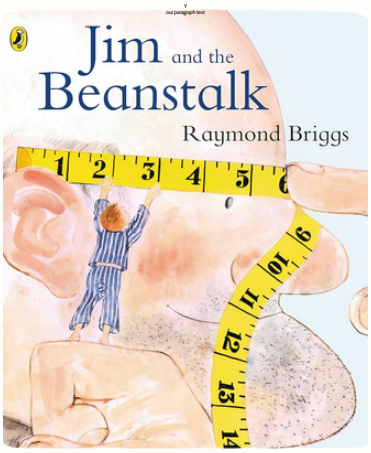

This week in English, the children have been introduced to a new book, Jim and the Beanstalk. They are developing their comprehension skills by making predictions about the story, sequencing key events and practising retelling the story in their own words.

In Maths, the children have been developing their addition skills by adding two 2-digit numbers, both with and without crossing a ten. They have been practising different methods to solve calculations and building their confidence with adding larger numbers.

In RE, the children are learning to show respect when discussing big ideas and exploring different beliefs and opinions. They are developing their listening skills and understanding the importance of respecting other people's thoughts and viewpoints.

In History, the children are exploring how schools have changed over time. They will be comparing schools in the past with those of today, looking at differences in classrooms, resources, lessons and school life.

This week's book...

Key Messages

A reminder that children need to come into school and then change into their PE kits. Their PE kits should follow the school uniform policy.

Please encourage your child to read every day to help build their confidence and develop their reading skills.
