Aspire, Achieve, Thrive

This week in Year 2...

This week in English, we began exploring our new book, *We Are Water Protectors* by Carole Lindstrom. The children have started to think carefully about why water is so important and why it is vital that we protect it from pollution.

In Maths, we have been using past papers to help practice our skills. The children have been preparing for the year 2 final assessments and have used maths lessons to recap on key concepts and build their confidence.

In RE, we have been exploring how people from different religions pray and the special objects and symbols they use to support their worship and express their beliefs.

In PSHE, the children have been exploring how to voice their opinions about ways the school could be improved, using their ideas to create and present a speech.

REACH awards

- 2 Teresa - Constance for Ambition
- 2 Pankhurst - Mahyr for Respect
- 2 Ali - Sehajnoor for Respect

Key Messages

**Please read with your child everyday
for at least 10 minutes.**
