This week in Year 5...

In English, the children have been researching about the Benin Kingdom in order to answer the question: What made Benin one of Africa's greatest kingdoms? The children looked at 5 different considerations of what made Benin a powerful kingdom; Trade and Wealth, Benin City and the Walls, The Army and Warfare, The Obas (Kings) and Art and Culture. The children have written a news bulletin stating why their chosen are made Benin the greatest African kingdom.,

In Maths, the children have been recapping and revising ready for their assessments next week. The children have looked regular and irregular polygons, lines of symmetry and have broken down and completed arithmetic and reasoning questions.

In Geography, the children are looking at different biomes and how plants and animals are adapted to living in those specific biomes. In DT, the children are looking at how food comes from farm to table the process in which food is made for us to eat. In computing the children are looking working in scratch, to use coding in order to create music.
