Aspire, Achieve, Thrive

This week in Year 2...

This week in English, we carried on exploring our new book, *We Are Water Protectors* by Carole Lindstrom. The children have created a fact file on water pollution and its main causes and identified the features of a campaign.

In Maths, we have been using the clocks to learn how many minutes are in a hour and used this to compare durations. We also learned how many hours are in a day and used this to solve problems.

In Science, we have been understanding how the 3Rs (Reduce, Reuse and Recycle) contribute to sustainable products .

In Art, the children have been using their hands as a tool to shape clay. They have been learning how to smooth the surface, making different marks and shaping the clay to make a model.

REACH awards

2 Teresa - Isla for Ambition

2 Pankhurst - Elsie-Mae for
Respect

2 Ali - Cristian for Ambition

Key Messages

**Please read with your child everyday for
at least 10 minutes.**

**Please continue to use Times Table Rock
Stars (TTRS) at home to support your
child's multiplication skills.**

**Bring a pack of biscuits (no chocolate) on
5th June for the Tombola Summer Fair.**
