This week in Year 3...

Dear Year 3 Parents and Carers,

The children have had a great last week of half term in school learning a wide range of topics.

In Literacy, we will be looking at the text of BFG. The children have been making wishing jars as we are inspired from the story.

In Maths, we are on a time unit exploring Roman numerals.

In Science, we apply knowledge of plant life and growth. We observe our grip strength by picking different fruits and sizes.

In DT, the children are going to learn the benefits of seasonal foods.

In Geography, the children explore the Goa carnival in India.

In PSHE, the children identify the advantages and disadvantages of different methods of payment.

It has been a wonderful week, and we are extremely proud of how confidently the children have continued their learning in Year 3.

The Year 3 Team

REACH awards
