

Year 6 News

Colham —
Manor
Primary School
Aspire, Achieve, Thrive

This week in Year 6...

In Maths this week, the children have been revising arithmetic and ensuring they have understood all the efficient methods clearly. They have spent time consolidating algebra, analysing pie charts and revising ratio. It is vital that students retain this information ready for secondary school so do support them at home with the topics mentioned.

In English this week, students have begun planning a newspaper report based on the famous poem 'The Highwayman'. Students have revised the key features of newspaper reports, started gathering potential vocabulary and begun to plan ahead of drafting next week.

During our foundation subject learning this week we have continued our production practice for Rapunzel and the Barbershop Bros. The singing is beginning to sound really good. The children are improving in their confidence when delivering their speaking parts.

In computing we described online issues that give us negative feelings and know how to get help. In PSHE, we thought about safeguarding money both physically and digitally.

REACH awards

- 6 Plato - Abdul
- 6 Lovelace - Gurman
- 6 Mozart - Fellipe

Key Messages

Transition date: 7th July - the children need to attend their secondary schools for the day. They do not need to come in to Colham Manor before they go.
