This week in Year 3...

Dear Year 3 Parents and Carers,

The children have had a great last week of half term in school learning a wide range of topics. In Literacy, we will be looking at the text of BFG. The are identifying and creating similes to support descriptive.

In Maths, we are on a Time Unit and exploring a.m. and p.m.

In Science, we apply knowledge of plant life and growth. We observe our grip strength by picking different fruits and sizes and inputting the data on a bar chart.

In DT, the children are going to learn the benefits of seasonal foods and learning the valuable skill of peeling and cutting.

In Geography, we are discussing why physical and human features are in particular locations.

In PSHE, the children explain why budgeting is important

It has been a wonderful week, and we are extremely proud of how confidently the children have continued their learning in Year 3.

The Year 3 Team

REACH awards

3 Earhart -Naveah-Ambitious
3 Gandhi - Radman -Enthusiastic
3 King - Jazmine-Enthusiastic

Key Messages
