This week in Year 1...

In Maths, this week, the children began learning about time. The focus was on telling the time to the hour and half past the hour. They made their own clocks and also used real clocks to explore and practise showing different times.

In English, we started our new book, Dadaji's Paintbrush. To spark the children's interest, they first had the opportunity to become "little artists" and explore their creativity before reading the story and finding out more about it. The writing focus this week was on using the conjunction 'but' to join ideas and adding the suffix '-ing' to words. The children practised these skills by writing their own sentences linked to the story.

In Design and Technology, the children continued their learning about fruits and vegetables. They investigated the different properties of a variety of fruits and vegetables by cutting, squeezing, and exploring them closely. Through this hands-on activity, they observed and discussed the similarities and differences between different fruits and vegetables.

REACH awards

1 Pele: Lexi -

Ambitious/Courageous

1 Parks: -Manuel - Healthy

1 Nightingale: Lyla-
Healthy

Key Messages

Sports Day - Year 1 - Wednesday 1st July from 10:00-12:00 - with picnic.

Remember to bring back library books!
