This week in Year 1...

This week in English, the children have been writing the story of Lubna and the Pebble. They planned their story using a story board to sequence the events. Some children changed the character or setting to invent their own version of the story.

In Maths, the children have been exploring making arrays to show how to make a group. They then looked at doubling numbers up to 20.

In Art, the children have been printing and pattern making with lego. They dipped the lego piece into paint and printed it onto their paper to create different shapes like a capital letter E.
