This week in Year 3...

Dear Year 3 Parents and Carers,

The children have had a great last week of half term in school learning a wide range of topics. In Literacy, we will be looking at the text of BFG. The children are creating the Wanted posters for the BFG which they have enjoyed.

In Maths, we are on a Time Unit and exploring units of time.
In Science, we apply knowledge of plant life and growth. We observe our grip strength by picking different fruits and sizes and exploring whether wearing different types of gloves affects our grip.
In DT, the children are going to learn the benefits of seasonal foods and learn the valuable skill of peeling and cutting, grating and they can even try tasting it.

In PSHE, the children explain In RSE & PSHE WALT identify how money can impact feelings and emotions.

It has been a wonderful week, and we are extremely proud of how confidently the children have continued their learning in Year 3.
