This week in Year 3...

Dear Year 3 Parents and Carers,

The children have had a wonderful learning journey this week.

- In Literacy, the children have been practising instruction writing based on the BFG book (chapter 7).
- In Maths, the children have been practising their directional skills and learning about right angles.
- In Science, we are reviewing all of the topics we have focused on this year.
- In Geography, the children have been learning about the changes in our local area and what has changed.
- In Spanish, we have started our new topic of Journey around Latin America. The children enjoyed exploring the map of Latin America and its countries.
- In PSHE, we explain how people's spending decisions can affect others and the environment.
- In DT, we have started our learning about Cooking and nutrition: Eating seasonally. Design a mock-up using criteria.

Thank you to all the parents who continue to support their child with their learning at home. Please ensure your child is reading for at least 10 minutes per day - it has a great impact across ALL their learning.

Thank you for your continued support.

The Year 3 Team

REACH awards

3 Earhart - Arora Courageous

3 Gandhi - Millie- Respect

3 King - Matthew - Courageous
