Aspire, Achieve, Thrive

This week in Year 6...

This week in Mathematics, the children have continued to revise and apply strategies for all four operations (addition, subtraction, multiplication, and division). They have also consolidated their understanding of fractions, ensuring they are well prepared for the transition to secondary school.

In English this week, we have finished our newspaper articles about The Highwayman. We revised the poem and the work that we have completed so far. We then continued to finish our own versions and edited them to ensure they are written to a Year 6 standard.

. This week during our foundation subject time we have been practising our end of year production. The actors are portraying their characters well and the singing sounds great. They were really excited to show the school in their dress rehearsal this week.

REACH awards

- 6 Plato -Whole Class
- 6 Lovelace - Whole class
- 6 Mozart - Noraiz

Key Messages

Please inform the office if your child has permission to walk home alone on the last day of term.
