This week in Year 2...

This week in English, the children are continuing to develop their understanding of the characters and settings in The Minpins. They will be extending their writing by using conjunctions to join ideas and create more detailed, interesting sentences.

In Maths, the children are consolidating their learning from the topics they have covered throughout the year, revisiting key concepts and practising their skills to build confidence and fluency.

In DT, the children are continuing to develop their understanding of coding using MakeCode. They will be creating and testing their own programs, applying the coding skills they have developed.

In Science, the children have been identifying a material that can help plant growth. They have been learning how to describe the needs of plants and testing material based on their properties. Then, based on their observation they were able to write their conclusion about an experiment.

REACH awards

2 Teresa - Nafsan for being
Enthusiastic

2 Pankhurst - Esme for being
Ambitious

2 Ali - Cedar for Ambitious

Key Messages

Please ensure your child brings PE kit every week to get changed into during the PE lesson. School uniform is to be worn at all other times.

Please take some time to read with your child at home.
