This week in Year 1...

This week, in maths the children have been comparing two numbers using more than and less than. The children rolled two die to create a two digit number and then use more than/ less than (<>) symbols to compare the numbers.

In English we started a new story called Julian and the Mermaid. The children wrote about what their dreams would be onto a seashell. The children made predictions about what will happen in the next part of the story based. Finally, the children wrote commands using adjectives.

In DT this week, the children have been making their own smoothies using blenders. They choose what fruit they would like to include in their smoothies, cut their own fruit up and put it into the blender. They then enjoyed drinking their own creations!

Transition Day

Well done to all of the children for being so courageous and resilient when visiting their new year 2 teacher. The feedback from the children was really positive and they enjoyed making new friends with different children in their class.

REACH awards

1 Pele: Tommy-Courageous
1 Parks: Albie-Healthy
1 Nightingale-Savannah-
Courageous

Key Messages

Friday 17th is the end of the school year. Children will be finishing at 1:15PM so please collect them promptly.

Library Books: Any reading books that have been due for a long time, please return them to the school as soon as possible.
