This week in Nursery...

This week in Nursery, we have enjoyed revisiting some of our favourite stories from throughout the year. The children loved joining in with familiar characters, retelling stories and sharing their favourite parts through play and discussion. We have also been reflecting on the many nursery rhymes, songs and maths concepts we have explored this year, helping to reinforce their learning while celebrating all the fantastic progress they have made. A big focus this week has been our transition activities. The children have taken part in a range of activities to help prepare them for their next step, and those moving to Reception had the exciting opportunity to visit their new classrooms and meet their new teachers. They approached this experience with great enthusiasm and confidence, and we are so proud of how well they embraced this important milestone.

Next week, we will continue enjoying our favourite stories, songs and activities as we celebrate the end of a wonderful year in Nursery. We will also spend time reflecting on the children's achievements and making special memories together before the summer holidays.

In PE, the children will continue taking part in games activities, developing their teamwork, coordination and listening skills. We will also continue our small-group Dough Disco and pre-writing activities to strengthen fine motor skills. The children are making excellent progress with recognising, reading and writing their names, and we will finish the term with more transition activities to help ensure everyone feels confident and excited for September.

REACH awards

Everyone! Well done for a
fantastic transition day!

Key Messages

**Please ensure your child has a hat and water
bottle every day!**

**Last day of term is Friday 17th July at 1:15. There
will be no afternoon session for PM pupils on this
day!**
