This week in Year 2...

This week in English, the children have created a shared plan to retell the story of of another child who discovers The Minpins. Then, they composed a sequel to the narrative by using conjunctions to join ideas and create more detailed, interesting sentences.

In Maths, the children are consolidating their learning from the topics they have covered throughout the year, revisiting key concepts and practising their skills to build confidence and fluency.

In Art, the children have completed their tiles made of clay and evaluated their work. They also have done a quiz to test their knowledge on this unit..

In PSHE, the children have identified their skills and talents and consider how these could link to jobs.

In Music, the children have completed the notation for a short song using a three-line stave. Then, they have done a quiz to test their knowledge on this unit.

Key Messages

We wish you all a lovely summer holiday!

Thank you for your support.

It has been lovely to see how much the children progress this academic year.

Please take some time to read with your child and practice the times table, addition, subtraction, multiplication and division everyday at home.
