This week in Reception...

☀ Our First Week in Reception ☀

It has been lovely to see all the children arrive for their very first day in Reception! We have now completed our first full week together, and the children have made a fantastic start to their Reception journey.

Over the past week, the children have been getting to know their new classroom, their teachers and their classmates. They have been beginning to settle into our daily routines and learning what to expect throughout the school day. We have been practicing important routines such as coming into the classroom, finding our belongings, getting ready for different activities and listening carefully during carpet time.

The children have also been exploring the different areas of our classroom and learning how to use the resources independently. It has been wonderful to see them beginning to make new friendships, share and take turns, and become more confident when joining in with activities and conversations.

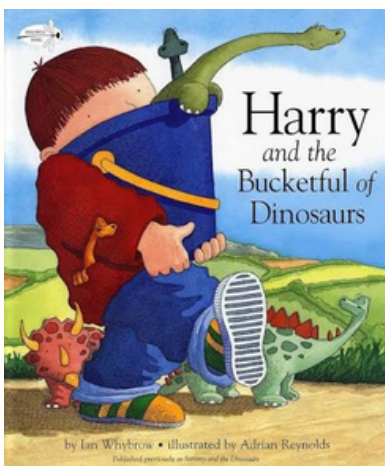

We have spent lots of time talking about our classroom rules and expectations, with a particular focus on being Respectful, Enthusiastic, Ambitious, Courageous and Healthy. The children have been learning that we are all part of our Reception family and that we look after one another and our classroom.

Our first week has been filled with opportunities to play, explore, communicate, create and learn together. We are incredibly proud of how well the children have adapted to their new surroundings and routines. Some children have settled very quickly, while others are still becoming familiar with their new environment, which is completely natural at this stage.

We would like to say a huge well done to all of our Reception children for such a positive first week. We are looking forward to seeing their confidence continue to grow as they become increasingly independent and develop their friendships over the coming weeks. We have an exciting year ahead!

Next week's book...

Key Messages

Please label ALL items of clothing including shoes and coats

ALL children must bring a coat and a water bottle to school.

Please stand back from the doors at dismissal.
